Re: Public Records Act Request – Police Disciplinary Records

Dear MuckRock News:

This office represents the City of Clovis (“Clovis”). The Clovis Police Department received your Public Records Act request on April 16, 2019, regarding Police Disciplinary Records.

We are writing to notify you that pursuant to Government Code § 6253, subdivision (c), we are extending the ten day response period for an additional fourteen (14) days to and including May 10, 2019. This extension of response time is necessary to search, collect, and appropriately examine records to determine if non-privileged records exist that are responsive to your request.

Therefore, the City will notify you no later than **Friday, May 10, 2019**, whether any non-privileged records exist.

Please contact me if you have any questions.

Sincerely,

LOZANO SMITH
